

Manual Call Point

PL 3300 PBDH-ALU-R

order number : 31668

Intelligent manual call point for loop 3000, with bidirectional isolator, labeled symbol "Burning House":

- highly functional detection-system for loop 3000
- alarm output for triggering a detector indication
- addressable spur connection via T-branch
- a log of the last maintenance date is stored
- intelligent function monitoring of push button mechanism
- automatic addressing (soft-addressing)
- manual addressing (Easy Check)
- suitable for installation in fire extinguishing cabinets
- LED for alarm (red)

technical data

operation voltage	15 up to 30 V loop powered
quiescent current	250 μ A
alarm current	5 mA
operation temperature	-10°C up to +60°C
protection class	IP 42
colour housing	red, RAL 3000
material	aluminium
DIN-EN	14655, EN 54-11, type B
further approvals	VdS G203021, S295054
dimensions	(H x W x D): 125 mm x 125 mm x 34 mm
weight	0,45 kg

errors and alterations excepted
