

Optical Smoke Detector

CT 3001 O white

order number : 31929

Intelligent optical smoke detector for conventional technique, according to DIN EN 54-7, design 1:

- highly functional detection-system for loop 3000
- intelligent analysis of the measuring chamber signal

technical data

diameter	95 mm
DIN-EN	54-7
dimensions	(H x Ø): 42 mm x 95 mm
weight	0,07 kg

errors and alterations excepted
